

Ch. E. 433 → 434 Laboratory

# STUDENT SAFETY CONTRACT

I: \_\_\_\_\_ Date: \_\_\_\_\_  
(printed name)

have been instructed on safety issues in the Chemical Engineering laboratories. I hereby agree to follow safety guidelines related to me by supervising responsible individuals. I also agree not to endanger my lab partners through negligence of these guidelines and further agree to the best of my ability not to place any person in a potentially dangerous position even if the related guidelines do not directly address the questioned action.

Hence, I pledge not to do anything irresponsible or stupid in the laboratory and will think about the safety of every action that I take.
